

2006-2007 Season Donation Form

"Building Community Through Theatre" since 1953

ACT simply could not exist without the generous contributions of many organizations and individuals. Thank you for becoming an ACT contributor! You may call us at 344-4713 or email us at acthome@gci.net if you have any questions.

- In making a contribution of any amount, you will be supporting the only main stage, year-round theatre in Anchorage that consistently aims to be inclusive in regard to age, ability, and experience.
- You will be supporting community theatre that welcomes everyone to audition.
- You will help to make possible an education and outreach program that is built on alliances with organizations that serve parts of the Anchorage population that may otherwise have little opportunity to actively participate in theatre.

Please print out and complete this form, and mail it with your donation to:
